A MESSAGE FROM PARISH PRESIDENT HOTARD

It is a great honor to continue serving you and the resilient people of St. John the Baptist as Parish President. Our first term review reveals that we persevered and delivered on promises despite unprecedented and unexpected disasters challenging us. We overcame the setbacks caused by a pandemic and a devastating hurricane and rebuilt and revived our parish to new strengths.

Our primary investment throughout 2023 was in bold, new infrastructure upgrades. We secured over \$120 million to comprehensively improve our drinking water systems, ensure better water quality, and improve reliability on both sides of the river. We overhauled our dilapidated wastewater treatment system. We commissioned a drainage master plan to address our drainage problems, an achievement 20 years in the making.

As we worked to enhance quality of life, our recreation department enjoyed record enrollments in youth programs, supporting the development of our next generation. Post-Hurricane Ida, we repaired parish buildings, fire stations, over 100 wastewater facilities, and streetlights, restoring normalcy.

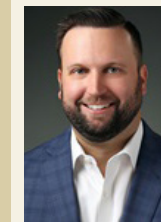

As we look ahead, balancing community and industry growth is vital. With projected capital investments of \$50 billion in Louisiana, over 30 years, we will strive to remain competitive while preserving our community's uniqueness.

I appreciate the support of our council members and look forward to collaborating with each of them to enhance districts and better serve you. Prioritizing our community's needs, we remain focused on community engagement to shape the future of St. John the Baptist Parish together.

PUBLIC WORKS

The St. John the Baptist Parish Public Works Department is responsible for maintaining roadways, roadsides, drainage, and the collection of debris on more than 400 miles of roads, major canals, and ditches throughout the parish. The department's annual operating budget includes funding for solid waste, drainage, maintenance, equipment and roads and bridges.

Parish President Jaclyn Hotard continues to secure grants to remove debris from canals Parishwide. Phase 2 of the National Resources Conservation Services (NRCS) Canal Cleaning Project is nearly complete. To date, approximately \$2.5 million has been allocated for canal cleaning.

"We will continue to aggressively pursue funding for much-needed drainage improvements."

- PARISH PRESIDENT HOTARD

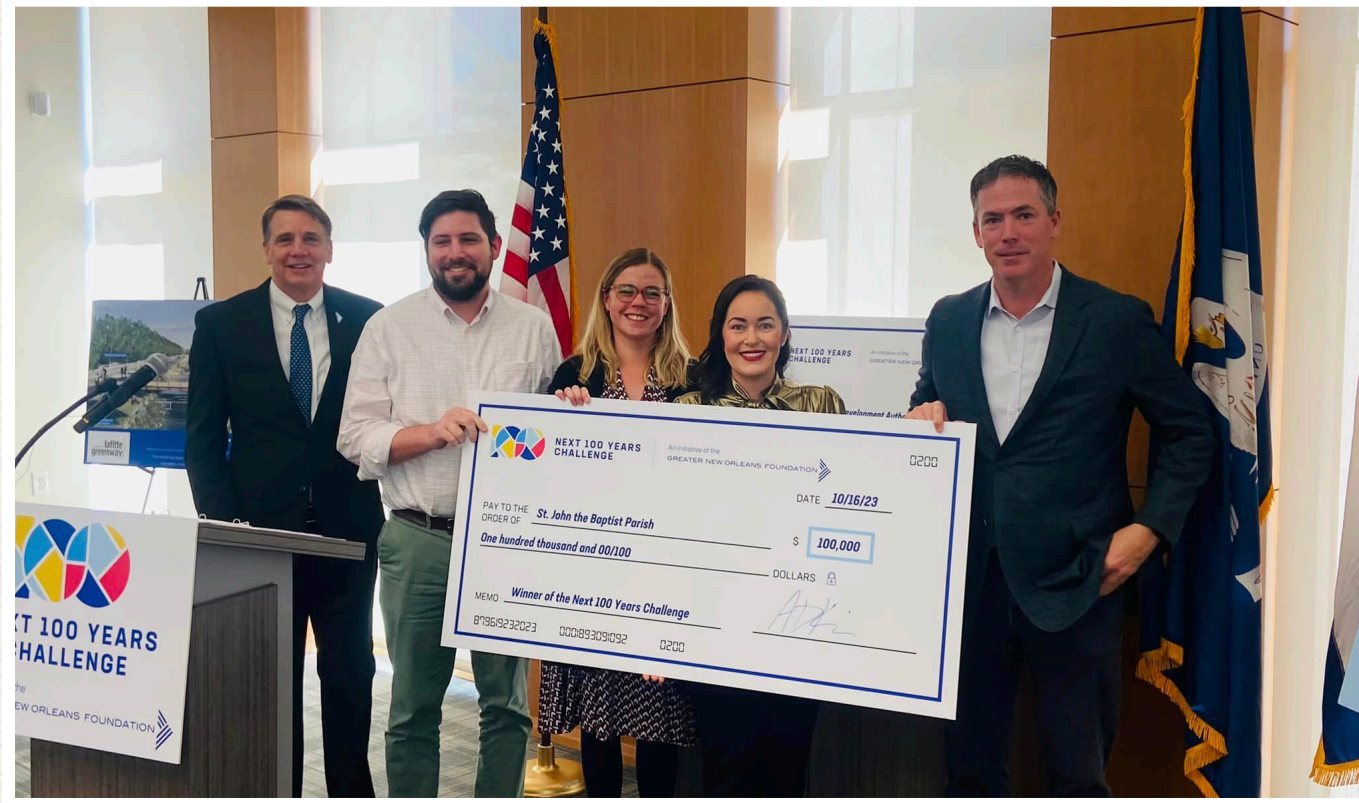

For more information or to make a Public Works request, call (985) 652-4815 or visit sjbparish.gov.

PLANNING & ZONING

The Planning and Zoning Department works to shape the future of St. John by implementing the parish's plans and resilience projects, while coordinating with local, state, and federal policies. The department works with residents, businesses, and the parish administration to review and issue building permits, respond to code violations, and manage coastal and floodplain development.

THE AWARD WINNING ANDOUILLE FESTIVAL WAS A SMOKIN' GOOD TIME!

The 48th Annual St. John the Baptist Parish Andouille Festival was held on October 20th, 21st, and 22nd in LaPlace with a record-breaking crowd of more than 21,000 people.

It featured live music, a new ride vendor, kid's activities, and great food featuring andouille! The Andouille Festival was also selected as the winner of "Best Festival" and "Best Outdoor Event" in L'Observateur's "Best of the River Parishes" Contest. The Andouille Festival also received awards for best poster (artist Dana Bardell) and best button/pin at the Louisiana Association of Fairs and Festivals Convention.

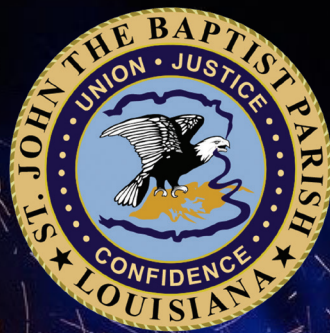

The festival is presented by St. John the Baptist Parish, along with Marathon Petroleum Company LP, and held on the grounds of the Community Center. Join us for this year's festival, October 18th through October 20th, 2024.
