

Addendum 2

DATE: July 15, 2019

ITEM: RFQ 2019-03 – Belle Terre Streetscape and Stormwater Management Enhancements.

This addendum is issued to answer questions pertaining to the above Request for Qualification project.

- 1. I am looking at the RFQ for the referenced project and wanted to know if there has been a conceptual plan done for this project? If so I would be interested in maybe looking at the plan.**

Answer: A complete description of the proposed project and sample renderings can be found on the Parish Planning and Zoning Department website :
http://sjbparish.com/zoning_general.php?id=2661

- 2. Could you delineate on what part of Belle Terre this project will encompass? Bounding Streets/Intersections**

Answer : The project is proposed to be designed on Belle Terre Boulevard between Airline Highway and Interstate 10.

- 3. For the above referenced RFQ, we would like confirmation that firms should submit a *separate* Qualifications Statement in addition to the SJB-1000. This separate Qualifications Statement would include a brief history of team members; complete lists of water management/resiliency.**

Answer: One Statement of Qualifications is required for the Prime Consultant and sub-consultants as a team, while separate SJB-1000 forms are required for each firm.

- 4. Can firms submit their *own* (similar) Corporate Resolution or does the Corporate Resolution need to be what is Page 13 of the RFQ?**

Answer: You may submit your own Corporate Resolution.

5. Is it Permissible to include any attachments to the SJB-1000 for to address the following?

- **List of Federally funded projects**
- **Narrative to demonstrate capacity and methodology**

Answer: Yes, it is Permissible

6. Is it Possible to have the requirement of Section 13 of the SJB-1000 form extended beyond the two pages allotted to allow for adequate coverage of all the evaluation criteria?

Answer: Yes

7. Will a new RFQ cover page be issued which shows the revised closing date?

Answer: No, the revised closing date is addressed in Addendum 1
