Project No. 48PARA3602

Dear Ms. Robottom,

On behalf of OCD/DRU, we have reviewed the attached proposed Addendum No. 2 provided by: St. John the Baptist Parish Council for the referenced project, and take no exception to the Addendum.

Please note that this review is only to verify general conformance with project scope and cost in the grant application/amended applications and to determine reasonableness. Our review does not include a review against the Environmental Review Record (ERR), which shall be performed by the applicant or their representative to determine if changes or additional environmental clearances are needed. In addition, the review is non-technical in nature and does not include review of design, constructability, or compliance with codes, regulations, and public bid law.

If you have any questions or require additional information, please do not hesitate to contact our office for assistance.

Yours very truly,
