PARISH PRESIDENT REPORT

Natalie Robottom stated, *“Good Evening- I hope everyone had a safe and enjoyable Mardi Gras despite the chilly weather. Both the DuMonde and Towahpahsah parades were very crowded and seemed to be a great time for all. The Du Monde Ball held at the Community Center was also a very nice event and well attended. Thank you to my staff and all involved in both parades and the ball for their hard work and dedication. We recently held a wrap-up meeting to discuss issues, concerns and plans for improvement. Managing both parades requires a coordinated effort and teamwork and we are looking forward to next year. Last weekend, I received the prestigious honor to revisit my high school in Abbeville as an invitee mentor for the Children and Youth Planning Board’s, “Pathways to Success” program. The program brings professionals who have achieved and acquired success to speak directly to students who have yet to form their own paths. I played teacher for the day and provided words of wisdom to Abbeville High students, shared my professional journey with them and also shared information regarding our great Parish. Thank you to Mrs. Davenport for spearheading this important and motivating event. It was an honor to be involved and I know the lessons of hard work, morality and integrity will stay with the students indefinitely as they go on to choose careers. As we close out Black History Month, it has been a treat to be an invited guest to various events throughout St. John. On Friday, I had the pleasure of visiting a live black history wax museum at Voice of Truth Ministries Church. The Program and museum, hosted Sr. Pastor Lauria Adams and members of Voice of Truth ministries, demonstrated the achievements of famous and renowned African Americans who have and are still making history. Martin Luther King, Jr, Maya Angelo, Al Sharpton, the Sheriff*

and myself were some of the many portrayed. It was a shining commemoration to the African American race and we thank you for sharing it with us. On Sunday, I was the guest speaker at a celebration of Black History Month titled "On the Shoulders of Giants" held at Victorious Life Family Worship Center with Pastor Renita J Graber. This was a very inspirational event and one that was filled with youth, laughter and fellowship. An informational meeting will be held on Tuesday, February 24th at 10:00 am in the Council Chambers for contractors interested in providing services for the Community Development Block Grant housing elevation program. An additional meeting will be held on Wednesday, February 25th at 10:00 am in the chambers for interested contractors regarding the other CDBG Housing programs including the Homeowner Rehabilitation Program, Homebuyer Assistance program and small rental rehabilitation program. Small businesses and non-profit organizations impacted by Hurricane Isaac are encouraged to apply for the Small Business Loan and Grant program for assistance with unmet needs following the disaster. Through the grant, funding will be available as a 20% grant and 80% low interest loan to affected small businesses. For more information, please contact the Economic Development Department at 652-9569 or at l.saulny@sjbparish.com. More information will be released once finalized. Small Businesses are also invited to attend a free seminar on business certifications and programs on Thursday, February 26, 2015 from 5:30 pm - 7:30 pm at the Business Training Center located at SCL Technical College in Reserve. The Center is also offering its cost-effective Fast Trac Program for local businesses this March. This 10 session program provides information to help start and grow a business at a cost of only \$100. FastTrac starts March 5 and will continue for ten weeks on Thursdays.
